(Choir Echo: The peace that was meant to be)

With God as our Father, brother's all are we.

Let me walk with my brother, in perfect harmony.

Let peace begin with me,

Let this be the moment now;

With every step I take, let this be my solemn vow:

To take each moment and live each moment.

In peace eternally.

Let there be peace on earth, and let it begin with me.

Dear Parents,

As you prepare your kiddos in these last few weeks before the Feast and plan accordingly for practice times we understand that this is a sacrifice for you just as much as your children and we thank you in advance for all the work you are about to do.

The song we have chosen for this year has, I think, special meaning. Especially as it is sung by our little ones... since we are to be like little children (Matt 18:3) as we grow in God's truth and knowledge.

We have provided a "sing along" file. If you are in need of a CD please let me know and I can get one off to you just as soon as possible.

Instructions for this year include.... Listening to this song, as much as possible... in the car, at home, before bedtime... whenever and wherever you can squeeze it in.

Getting the words (and the tune) down will be the most important thing your children can do to prepare before the Feast... and as I'm sure you remember from past years, when you are singing this in your sleep you know there are only a few days till the Feast!

Practice times will be announced as soon as we have a schedule available.

I look forward to meeting and working with all of you. It is an honor to serve with you and your children this year in New Braunfels, TX.
